

OMAN CABLES INDUSTRY (SAOG)

02-05-2011

Occupational Health and Safety Policy

Oman Cables Industry recognizes that Occupational Health and Safety management is an intrinsic part of its operations in manufacturing electrical cables.

Oman Cables Industry, are fully committed to improving the Occupational Health and Safety performance related to our activities, products and services through:

- ✓ Reviewing and complying with all the applicable legal and other requirements related to Occupational Health and Safety;
- ✓ Commitment to the prevention of injury and ill health through continuous improvement of the Occupational Health and Safety Management system;
- ✓ Continually reviewing the company's Occupational Health and Safety policy, objectives, targets and programs in line with global best practices.

This policy is communicated to all individuals visiting and/or working for or on behalf of the organization.

HANS MEIRING
Chief Executive Officer
