Oman Cables Industry (SAOG) conducted its second draw for the Oman Cables Industry (SAOG)'s Building wire promotion campaign on 14.01.06. 50 lucky winners won Gold Coins worth 10gms each. This is the first time that OCI has promoted such a scheme.

The representatives from Ministry of Commerce and Industry led by Mr. Ibrahim Bin Hamoud Al Wahaibi were well received by OCI's General Manager – Sales & Marketing Mr. P.R. Ramakrishnan, Senior Manager – Sales & Marketing Mr. Sandeep Bendre and Sales & Marketing Officer – Mr. Qasim Sulaiman. The 50 lucky winners were then selected by Mr. Ibrahim Bin Hamoud Al Wahaibi.

Oman Cables has published the winning numbers on their website. Customers can log onto [www.omancables.com](http://www.omancables.com) for the draw results. The results are also being published in the leading newspapers in the Sultanate.

Based on the the success of the second draw, the 3<sup>rd</sup> and 4<sup>th</sup> draw are scheduled to be held on 1<sup>st</sup> February and 14<sup>th</sup> February 2006 respectively. Customers who missed out in the first two draws have 2 more golden chances to win, so hurry, buy OCI Building Wires and win 10gms worth of Gold Coins each.

Oman Cables Industry (SAOG)'s sincerely thanks all its Distributors, Re-distributors and end customers for patronizing the OCI brand of Building Wires and MOCI for making this draw a success.
